TESTIMONY

Here with, I testify that in this research paper, there are no plagiarisms. Of the previous literary works which have not been raised to obtain bachelor degree of a University, nor there are opinions or master pieces which have been written or published by others, expect those which the writing has referent in the slang words and mentioned in bibliography.

Here, later, if it is proven that there are some untrue statements in this testimonial, hence I will hold fully responsible.
