ABSTRACT

This research paper is aimed at answering two problems. The problems are: (1) How are the derivational process of English words used in the manuals of mobile phone and (2) What are the meaning of the derivational process of affixes of English words used in the manuals of mobile phone. This research uses documentation methods to get the data. The data are words taken from the manuals of mobile phone. The writer concerns with four phones brands, “Imo”, “Nexian”, “Nokia” and “Sony Ericsson”.
