INTERVIEW

Place : In the Teacher Room
Interviewer : Susi Eris Wijayanti
Interviewee : Ulin Nafis (English Teacher of SD N 1 Pegongsoran
Pemalang)

Researcher : "Assalamualaikum Mrs. Ulin"

Teacher : "Wa'alaikumussalam"

Researcher : "May ask you some question relation with the method in teaching English using CLT in this school?"

Teacher : "Sure"

Teacher : "Usually I use CLT method. You can see by yourself the teaching learning process if you want"

Researcher : "Yes, I want to have some observations in the classroom, mom. By the way, is the method important in teaching English?"

Teacher : "Yes, the methods are important in English using CLT. The methods can help them to understand and essay teaching process"

Researcher : "What are the preparations that you conduct before the class begun?"

Teacher : "Before the class begun I ask the students to prepare the book, pen, dictionary and note book"

Researcher : "What is the material source used?"

Teacher : "The materials are books determined by the government and the other books related the syllabus."

Researcher : "How are the role of the teacher and the students in teaching English process?"

Teacher : "The teacher as a source of the teaching English process and she as a facilitator. She explains the materials and gives some facilities that

make the students respond and pay attention, be active when the teacher explains the materials.”

Researcher : ”What are the facilities used to support the teaching process”

Teacher : ”We have some facilities for English subject in this school, such as: English books, classroom, multimedia room.

Researcher : ”What are the evaluation instruments used to know the success of the teaching?”

Teacher : ”Of course the instruments are the student’s work and their participation during the teaching process.

Researcher : ”How is the way to measure the success of the students in teaching English?”

Teacher : ”By evaluating the student’s task”

Researcher : ”How is the way to motivate your students in order to make them like the teaching of English?”

Teacher : ”I provide to give the writing materials that suitable with their daily life, I must be attractive to make the students interested and I try to be their friend, not only their teacher”

Researcher : ”What are the implementation of CLT method in teaching English?”

Teacher : ”The implementation of CLT method are the student can explore their skill, The students can increase their confidence, the students focused on communication and emphasized to be able to communicate.

Researcher : ”OK mom. Thank you for your time. I think is enough?”

Teacher : ”OK. Your welcome”
