SYNOPSIS

This novel tells about conflict of love. Summer Lyndon she is twenty-eight years old. She has father and mother names Rochchild Lyndon and Monique Dubois Lyndon. Summer had then returned to Paris to complete her education and currently had living quarters both dessert chef.

There are many conflict one of them conflict of love. There are two factors which influence the development of conflict, they are the external factors and internal factors. The external factors that arise from the relation between the people around him. It is begin when Blake meets Summer. He comes to her apartment to offer a job and to discuss the contract. He never know her before, this is the first time they meet directly face to face.

The internal factors that arise from the major character's inner conflict. It can be seen when summer realizes that her feelings to Blake must be stopped. She knows her self well, during her life she never fall in love with her partner but for this time she faced it.

Now, summer and Blake explore their love bravely. They push away their professionalism, summer who is as a chef and Blake who is as her boss.
