BLIBIOGRAPHY
SUMMARY

This study is about social conflict of England and France. The problem statement of the study is “how the social conflict of England and French is reflected At William Shakespeare Drama The Life and The Death of King John Drama (1959)”. In this research, the objectives of the study are to describe The Life and The Death of King John (1959) based on structural elements and to analyze social conflict reflected in the play’ The Life and The Death of King John (1959) drama based on sociological perspective.

The object of the study is social conflict of England and French is reflected At William Shakespeare Drama The Life And The Death Of King John Drama (1959). It is analyzed using sociological perspective by using qualitative research types. There are two types of data sources they are: The primary data source is The Life And The Death Of King John Drama (1959) by William Shakespear; and secondary data sources are the other sources related with this study such as books, website and other source that support this study.

The results of this study show the following conclusion: first, based on structural analysis Shakespeare delivers message that loving our country can give spirit to success. Second, social conflict that appears in the play The Life and Death of King John drama shows from internal conflict between King John with Constance and Arthur, that grab the throne.

Key words: Social Conflict, England and French, The Life And The Death Of King John Drama, sociology approach.
