BIBLIOGRAPHY

SUMMARY

There are some conversations in the movie that are less understandable, because sometimes the cast uses the implicit sentences. The figurative language, after all, belongs to a language of phenomenon, which is interested to analyze, because it's the product of creative imagination. The purpose of the study are: 1) to find out the figurative languages mainly used in Begin Again Movie by John Carney; 2) to find out the meaning of figurative languages in Begin Again Movie by John Carney.

The writer applies the qualitative research method in conducting the research. The primary data sources of the study are of "Begin Again" movie, directed by John Carney. Documentation is a method to collect the data. Analysis of the data uses the descriptive qualitative technique about reducing the data, verifying the data; displaying the data, and conclusion.

The result of study shows that: 1) There are eight (8) figurative language used in the "Begin Again" movie by John Carney: simile, metaphor, personification, metonymy, paradox, hyperbole, litotes, and irony; 2) The contextual meaning of figurative language in the "Begin Again" movie is about social life, such as more appreciate to other people or in their life, believe in their self, always energetic in any situation, and more grateful and loving what they had. It shows what the character's feeling such as happiness, sad, love and another. It also describes the positive characters in this movie. The script of "Begin Again" movie try to tell us about human social life which contained about love, sadness, happiness, spirit and others. In the "Begin Again" movie selected scripts that contain figurative language is helpful in understanding the story.
