

## CHAPTER V

### CONCLUSION AND SUGGESTION

Here is the end part which presents of the finale. This part will divide into three parts. The first is Conclusion to conclude the gender conflict, resolution of the conflict and discussion. In the second is suggestion related to the study. And the third is pedagogical implication. Here the researcher will explain the research more easily.

#### A. Conclusion

Be base on prior part, so researcher gets some conclusions. So as to has been discussed over. Then researcher use sexual category disagreement analysis a feminist approach to study the data of the research. Sexual category analysis in this work of fiction is something that important for the researcher to analyze. The conflict that happened in the main character and the other characters is something that very interesting.

Following analyze *Never Let Me Go* Novel, so researcher made end of the paper. Primary is gender conflict analysis, Kazuo Ishiguro give the moral value it can we learn and apply in our real life that we must be patient and easy to forgive. Ishiguro's illustrates about love, gender conflict, and loss in his novel. There are three major characters in his novel; there are Kathy, Tommy and Ruth. Also the minor characters Madame, Miss Emily, Moira B, Laura, Chrissie, Roy J, Harry C, Keffer, Hannah, also Rodney. With the major characters are the part that made the gender conflict happened. Conflicts can help the readers to know about the moral value that can they take from the novel. The gender conflict happened when here are has been triangle be in love with among Kathy, Tommy, also Ruth. The next gender conflict is between Kathy and Miss Emily when the deferral about the true love that Miss Emily said is not true. In beginning Ruth and Tommy made a relationship and hurting

Kathy, but in the end Ruth apologized to Kathy and make them can be together. Ishiguro's makes the novel with personality with characterization, location, after that plot, point of view, theme with the end is style. It is help fantasy of the readers with emotion of each other.

Second be base on feminist study, here the plain in Never Let Me Go Novel. Kazuo Ishiguro's also concern within a Feminist that shown on gender conflict. But it is not shown to much there be only a little bit of gender conflict in this novel. Ishiguro tried to explain the real gender conflict that happened in a real life. Nowadays a lot of the woman that in conflict with each other just because about love. But the best conflict about woman in this novel is they are still can be friend. They are not made it as the big problem in the future, they brave to say apologize and forgive eachother's. That is the best value that can the researcher take from this novel.

## **B. Suggestion**

Never Let Me Go novel is one of the works by kazoo Ishiguro. A very interesting novel to read and there is moral value that can take. This novel is explaining about love, gender conflict, and loss someone that loved. The novel is very interesting because the novel is telling gender conflict about love between Kathy and Ruth that loved Tommy. The type of this novel is dystopia fiction novel.

The canvasser thinks this research is distant as of ideal. Therefore the researcher wishes for another canvasser to study this work of fiction with the different theory. This researcher use feminist approach to analyze this novel. Never Let Me Go novel is very interesting to analyze. Researchers hope there will be other researchers who examine with the different approach and issue using this novel. True love also can be interesting issue for another researcher that have interested in this novel. This novel explains to the readers about the

true love of Kathy and Tommy. Psychological approach can be explained of the true love of Kathy and Tommy.

### **C. Pedagogical Implication**

After finish read Never Let Me Go novel using feminist approach, the researcher finds some pedagogical implication. The researcher found one moral value that can apply in a real life. That is about apologizing and forgives each others. The moral value that exists in the novel can be used as learning for people to be more easily forgiving each other. People should have this good character. If every people has this character life will goes well and there is nothing conflict would happen.

Never Let me Go novel is good novel and very interesting novel. Because the story that made by Kazuo Ishiguro's is really interesting, he make the readers can imagine from the setting situation that his made. Ishiguro's uses the word and sentences that can be easy to understand for the readers. For education, teacher can used this novel as the student to understand how important to be patient and forgive to each other, because it will reduce the emergence of problems between friends or with anyone. And this novel can make the students more interested to literature.
