ABSTRACT

This study aims to describe the teaching techniques used by tutors in teaching speaking in English Tutorial Program (ETP) at Universitas Muhammadiyah Surakarta. The subject of this research was 10 tutors of ETP (English Tutorial Program) and 20 students. This research used qualitative method. The qualitative data were obtained through observation and interview. The data were analyzed through data reduction, presentation of data and conclusion drawing. This study used theory proposed by Harmer (2005) in analyzing the teaching speaking technique. The result of the research showed that there were three teaching speaking techniques that tutors used in teaching speaking skill in ETP, namely, role-playing technique, discussion technique and presentation technique.

Keywords: English Tutorial Program (ETP), speaking skill, teaching speaking technique
