The difference in motivation or reasons becomes the reason people do not always use English slang when speaking. The objectives of this study are to find out the type of slang and the reasons of using English slang in the movie. This study uses qualitative research with content analysis and using coding to get qualitative data. Movie is a medium that often uses English slang. The researcher uses data from the utterance in the “The Kissing Booth 2” movie. The selection of data source because this movie tells about teenager life at junior high school and using a lot of English slang. Data source used is movie script “The Kissing Booth 2”. The result shows that there are 5 types of slang and 7 reasons of using English slang. The types of slang used are fresh and creative, imitative, acronym, flippant, and clipping. The reasons of using slang are to start a casual conversation, to address, to express anger, to humiliate, forming an intimate atmosphere, showing intimacy, and expressing impression. Based on the finding, it can be shows that the dominant type of slang often used is fresh and creative, and the reasons of using slang often use is to express anger. The utterances still use standard words and using in informal context.

Keyword: Sociolinguistic, English Slang, Movie.
