		Baekhyun freaking out in falsetto I can hardly keep up with the subs because they are out of control but I love it! I've waited for 2 years for ot8 .... I would've loved Yixing to also be there but it is what it is. <i>I can't wait for their comeback.</i> it's going to be BIG!!! KAI always the jump starter...Congratulations, Jongin! Rover era is a blast. (RSH)
		<i>I believe this would be way funnier if they have no script</i> , I appreciate Yeollie for making random funny comments and so yah, turn on your active button when you are with EXO, please, we want to see hyper Soo with EXO too. (RSH)
		Been a long time to see them in one frame <i>can't wait to see you guys being together as 9 again.</i> (RSH)
		Happy to see them gathering here. <i>Can't wait for their comeback as a team!</i> (RSH)
		Baekhyun and Kyungsoo are so focus they barely say anything ♡ And Chanyeol being Chanyeol, sweetly saying that only Jongin can pull this song off. I love how supportive they are towards each other ^3' <b><i>Can't wait for them to do the ROVER Challenge</i></b> ♡ (RSH)
		<b><i>the caption:</i></b> (RSH)

4.	Wishes	It's nice to watch Sehun as a normal person and not the Sehun we know as an idol. it's just relaxing and more like a therapy, <b><i>I hope EXO would give us more contents like this in the future.</i></b> (RSW) I love everything about this video. It is just Sehun in his purest form. Doing things naturally, not trying too hard it is just him being his genuine self. Looking forward for more. Thank you Sehun for showing us this side of yours. 	<p><i>Would be awesome if Kai actually got to be the ambassador of Range Rover</i> because of this. If that's the case, Baekhyun is definitely asking his 50% for the idea. (RSW)</p>
	<p>I love seeing them together <i>hope they can have a comeback soon.</i> (RSW)</p>
	<p>I agree with Chanyeol. <i>I wish this was an EXO comeback song</i> but I still like that it's Kai's. So happy see them together! (RSW)</p>

	<p>Kai is my infinite inspiration. His artistry deserves to be celebrated all over the world. I'm forever thankful for that heaven sent coincidence which led me 10 years ago to this opportunity to know him. I'm so incredibly proud and happy for him. <b><i>Please be always happy and healthy,</i></b> my star. (RSW)</p>
	<p>I didn't want this to end. He's doing something that never seen before. How much my heart fills with respect and love when I see this. I'm so mesmerized and amazed by him. 	<p>An absolute masterpiece part 2, <b><i>I only wish he did this for peaches as well!</i></b> (RSW)</p>

		<p><i>I hope kai continues to produce a film for every comeback he does. you can see how much thought and effort is being put into these videos. kai does such an exceptional job at portraying his expressions and dance together too, he really steals the spotlight. I LOVE that each song has a different scene and storyline to fit the concept. Jongin, thank you for your hard work, it shines through everything you do. (RSW)</i></p>
		<p>My heart is heavy after watching this. <b><i>I hope you'll be able to find a way out, be better, be happier, be more comfortable, and find the balance in your life.</i></b> What I can only do is give you, my love. (RSW)</p>

		<p><i>I am drowning with my tears... this damn life is not fair at all; I want to talk with Kai and other members so much. (RFG)</i></p>

		<p><a href="#">1:44</a> <i>His laugh is melting me.</i> I need a loop for this lol I'm so emotional rn. It feels surreal to see them together after a long time. Even just a content like this where I can see them together, sitting there, smiling and laughing, I am able to forget my problems for a while. After all these years, EXO is still my home--- no, EXO has always been my home. I love them so much. (RFG)</p>
		<p>Uwaaa, you know?? I need to watch more than five times! Because it has been a while since I have to scan the entire scene to see each of the member faces and expressions. Really, I am still adjusting myself to see the whole scene is packed with my dear EXO members. I am so happy and confuse at the same time, hahaha. But <i>I am so glad because I can feel these feelings again since a long time</i> KAI, ROVER, EXO, FIGHTING!!! (RFG)</p>

		<p>Kai is my infinite inspiration. His artistry deserves to be celebrated all over the world. I'm forever thankful for that heaven sent coincidence which led me 10 years ago to this opportunity to know him. <b><i>I'm so incredibly proud and happy for him. Please be always happy and healthy, my star.</i></b> (RFG)</p>
		<p>I always want more of and from KAI. sometimes I get so sad Kai had a late solo debut because I can't get enough of his work, I keep wanting more and I know an artist like Kai will take all the time in the world to deliver immaculate art. But <b><i>I'm also happy I got to witness him as a soloist since day one and I will be here, enjoying, appreciating and waiting for a very long time.</i></b> (RFG)</p>

		<p>I hope kai continues to produce a film for every comeback he does. you can see how much thought and effort is being put into these videos. kai does such an exceptional job at portraying his expressions and dance together too, he really steals the spotlight. I LOVE that each song has a different scene and storyline to fit the concept. <i>Jongin, thank you for your hard work, it shines through everything you do!</i> (RFG)</p>

		<p>It makes me want to cry when I see him working without sleeping, being in cold weather, being filled with thoughts of what might not come out well. But then, is just EXO's essence of keep working and improving when they are already the best. <b><i>THANK YOU FOR ROVER, JONGINIE! THANK YOU FOR SHOWING US COMMITMENT, PATIENCE AND HARD WORK!</i></b> You are my daily inspiration. I wish I were more like you! (RFG)</p>
