DEDICATION

This research papers dedicated especially to:

1. My beloved mother and father
2. All of my friends who always support me
3. My ex

ACKNOWLEDGE

With deep gratitude, with the completion of this research paper the author dedicates it to:

1. The author's family who has paid for all the needs during the lecture until completion.
2. Mrs. Muamaroh who has guided the researcher from the beginning of writing the research paper to completion.
3. Dimar's family who accompanied him during his studies at University of Muhammadiyah Surakarta
4. Wawan Store which has provided a place to work on your thesis when researcher want to do research paper outside the home.
5. PH Cellular which has provided a place to get an internet connection when there are problems with the internet connection at home.
6. The writer's friends, whether college friends, high school alumni friends, or friends from different study programs at University of Muhammadiyah Surakarta.
7. My ex who gave me encouragement when working on my research paper.

ABSTRACT

This research which took place at SMA Muhammadiyah 1 Karanganyar examined the teacher's teaching techniques in learning reading. In this study, researcher used descriptive qualitative method as the design of the study. The participants in this study were three English teachers from clas X, XI and XII. The instruments to collect data used observation and interview. The result of the study found that all teachers used scanning and skimming technique in teaching reading. The problem faced by teacher in implementing scanning and skimming were student lack concentration and laziness, sleepy student, noisy class atmosphere and class facilities. The solution to solve the problem is giving motivation, giving ice breaking, giving warning to student and bring his own facilities.

Keywords: *Reading skills, Scanning and Skimming, Teacher Techniques*
